Crop Report

Show Big Shortage of Potatoes in Kentucky on Account of Drouth.

Only half a potato crop will be gathered in Kentucky this year, according to the monthly crop report for July by the Commissioner of Agriculture from reports received from all parts of the State. Other crops, while they have suffered greatly as a result of the drouth will not show so large a falling off.

Hardly a report has come to this office says the Commissioner for the month of July which has not under general remarks spoken of the great drouth which has prevailed over Kentucky generally during the month of July. All crops have suffered greatly for the need of rain. Our reports in general showing the smallest percentage of crops in Kentucky they have shown for years.

The yield of wheat as shown by reports now that all the wheat crop has been harvested and practically all threshed shows a fairly good average as compared with last year. Last year being an exceedingly good wheat year. First district 91 per cent. Second district 100 per cent. Third district 94 per cent. Fourth district 99 per cent. Fifth district 98 per cent; or an average for the State as compared with last year of 96 per cent.

A well known Des Moines woman after suffering miserably for two days from bowel complaint, was cured by one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by Stockton & Son.

Two Inventions

At Berea College, That Promise Big Returns for the Inventors.

Prof. Rumold, of the Science Department of Berea College, has about completed an invention, which promises to make him independently rich. Prof. Rumold claims with his new idea that he will be able to prevent head-end or head-on collisions on railroads or traction lines. Electricity is the main power by which he will accomplish it.

It is so arranged that two trains destined to meet, will be deprived of their power at a safe distance, automatically, and stand "dead" on the track. When a certain distance apart, the engines will be stopped suddenly without the knowledge of either train crew. The L. & N. will give it a trial at once, and other roads have signified their willingness to do so at an early date.

Prof. Rumold is demonstrating at the college now with small models how easy it is for his idea to accomplish what it is intended for. This is one of the greatest inventions of modern times and will replace the electric block system, the latest and most up-to-date manner yet contrived for the safety of trains.

Another invention at Berea college, which will no doubt be of great demand, is an electric alarm, which rings the minute fire starts in the house. In a big hotel or flat, a blaze in some obscure part of the building, can be detected in time for a bucket of water to extinguish it. Editor Faulkner of the Citizen, is the inventor of this and it is so simple, and fills such a long felt want, that it should prove of great value. The idea came to Mr. Faulkner after a recent fire in Berea, which destroyed a livery stable and several horses and also after reading of the burning of a family in Harrodsburg last spring.

Sun Brothers' World's Progressie Shows

All New and Better Than Ever.

The citizens of Richmond will be afforded the opportunity of witnessing the Great Sun Brothers' shows will be at Richmond on Tuesday, August 29th. The show this season is all new and serves to exhibit a gigantic zoology display, in which are seen the finest and most select specimens of the animal kingdom. The Big Top program is of an imperial character and latter day formation, and introduces many of the very greatest performers ever brought to this country for exhibition. Japan sends the magnificent Royal Imperial Court Company. These Oriental marvels appear in a diversity of sensational acrobatic and risky accomplishments, old jugglery, aerialists, top spinning, etc. The costuming of their varied specialties are said to be of an unusually ornate and brilliant kind.

England sends the famous equestrian show. The special or big display, acts star, Mr. James Fish, Jr., who will be assisted by Miss Adele Dutton, the dainty acrobatic beauty. This duo appear in a new novelty exercise act, that has never before been duplicated, magnificent costuming and beautiful horses also characterize this display. The other foreign features include the renowned Cervene Troupe, a quintette of high light wire marvels from France; the Electric De Kamos, remarkable mid-air-teeth artist, in a new creation styled "the Humane Butterflies" the Mexican Juan De Zamora family, thrilling aerialists.

Some fifty or more Americans performers also participate, forming in all one of the biggest and most satisfying acrobatic programs offered. Two performances will be given during the engagement here, afternoon at 2 and at night at 8. Doors open one hour earlier.

Hay Fever, Asthma and Summer Colds

Must be relieved quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1034 Wolfram St., Chicago, writes: I have been greatly troubled during the hot summer months with Hay Fever and find that by using Foley's Honey and Tar Compound I get great relief. Many others who suffer similarly will be glad to benefit by Mr. Stewart's experience. Foley's Honey and Tar Compound is effective for coughs and colds in either children or grown persons. Fair Exchange

A New Back for an Old One. How It Can Be Done in Richmond.

The back-aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the lions are so lame to stop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Richmond residents would do well to profit by the following example.

L. M. Cox 502 Bowyer St., Lexington, Ky., says: "My occupation requires much heavy lifting and I believe this was the cause of my kidney trouble. I first noticed a dull pain in my back which became so acute that I could not rest. When I arose in the morning, I was lame and stiff and felt so tired that I could hardly commence the day's work. My kidneys were also disordered and the kidney secretions caused me much annoyance by their frequency in passage. I doctored and tried many remedies but could not find relief. When suffering severely I doan's Kidney Pills were brought to my attention and decided to take them. I procured a supply. I soon improved and by the time I had taken the contents of a few boxes, I was cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Witness.

James Jones was summoned to West Liberty last week as a witness in a case in the United States Court. The defendant was held to the regular term which meets at Jackson next month.

An ordinary case of diarrhoea can, as a rule, be cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This remedy has no superior for bowel complaints. For sale by Stockton & Son.

Laundry for Sale.
